### About JustRight Scotland

JustRight Scotland (JRS) is Scotland's legal centre for justice and human rights. We use the law to defend and extend people's rights. We operate 4 national centres of legal excellence providing direct legal representation, legal outreach, and legal education: (i) the Scottish Refugee & Migrant Centre; (ii) the Scottish Women's Rights Centre; (iii) the Scottish Anti-Trafficking & Exploitation Centre; and (iv) the Scottish Just Law Centre. We also operate JustRight for All, which is our legal policy, research and training hub. For more information about JustRight Scotland, visit our website and follow us on social media.
